

Hello Bruin CC parents and athletes,

What a fantastic performance we had on Thursday at the CVC League Championships!

We are proud to celebrate our All-League athletes:

- **1st Team Varsity Boys:** Grady Morris (CVC League Champion!), Braden Himley (3rd), Devin Maldonado (4th)
- **1st Team Varsity Girls:** Emmy Angelo (3rd), Sadi Angelo (5th)
- **2nd Team Varsity Boys:** Jacob Arthur (3rd), Colby Woodward (6th)
- **2nd Team Varsity Girls:** Alex Grunder (9th)

And congratulations to the whole Varsity Boys League Championship Team: Grady Morris, Braden Himley, Devin Maldonado, Jacob Arthur, Colby Woodward, Weston Lauer, and Owen Jenkins!

We hope everyone was able to recover well over Halloween weekend, especially after our whole-team scavenger hunt on Friday. The athletes had a blast, and the coaching staff loved seeing everyone enjoy themselves—some maybe a little too much, as a few didn't want to leave!

Looking ahead, we have a big week coming up with Subsections this Saturday. This will be our last whole-team meal (aside from the end-of-year awards banquet), where we hope to honor our seniors and make it a great final whole-team race. After Subsections, athletes must qualify to continue, so our whole XC family may no longer be together—though we hope to move forward with as many as possible.

Please take a moment to sign up using the SignUp Genius link [here](#) . Apologies for the late notice.

This meal will be similar to our first team meal during practice, featuring a taco/nacho/burrito bar. Parents and families attending Subsections are warmly invited to dine with us!

We kindly ask for your help providing food and to bring portable stovetops, cookware, or plug-ins that work with your vehicle to heat or keep food cold (think campsite style).

Thank you all for your support and enthusiasm! Let's make this a memorable final whole-team event.

Always working hard to get better! Go Bruins!

Coach N.
