

Hello all Bruin track & field athletes, families and supporters!

If you had not realized amongst the chaos of the last few weeks and scattered throughout several email chains in the last few days, our track banquet is TONIGHT, Thursday May 14 starting at 5:30pm in the PHS cafeteria!

We still have a VERY low number of RSVPs for what we had prepared for, taking into consideration the large number of athletes we had on our roster this year. If you have not already, please RSVP on our Sign Up Genius link [HERE](#) so we can plan accordingly for tables & chairs to be set up and food to be prepared. Coaches & athletes DO need to RSVP as well as family members and friends that will be attending.

We will be asking for a \$5 donation per person at the door for anyone eating dinner with us to offset the costs to our program that come with hosting banquet, as the team covered all decor, awards, and proteins for tonight's dinner. Please do not let this deter you from attending tonight or dining with us, as this is a donation ask and not mandatory.

We STILL NEED several items off of our banquet dinner sign up list, which has coaches worried! If you did not originally see the Banquet sign up and are able to bring any of the items still listed on the [Sign Up Genius](#), PLEASE HELP! We are hoping to have plenty of food for all so our athletes and families can enjoy dinner being taken care of while we celebrate our Bruin successes from this season. I know we are low on rice, beans, and toppings! Please help where you are able!

Athletes should dress in special occasion/dressy attire. We do NOT want to see them in their regular practice or school clothes. We want them looking their best for our end of season celebration where we will recognize each athlete and honor outstanding performances from the season.

Not only has the coaching staff been very busy with coaching athletes through the postseason championships, but there has been a great deal of time and effort put into banquet preparation and we hope to see all there!

Always working hard to get better! GO BRUINS!!

See you all tonight,

Coach N & Coach Norwood
