

Hello to all **WOODBIDGE 2026** athletes & families!

If you are getting this email, then you or your son/daughter will be competing on 9/19 down in Southern California at the elite Woodbridge meet!

RACE FAMILIES

- Boys: Devin Maldonado (12), Gavin Scowcroft (12), Jacob Arthur (11), Weston Lauer (11), Dusty Smith (11), Austin Jones (10), Drew Drinon (10), Michael Alvarez-Romero (10). Currently qualified into the **Green Division** races.
- Girls: Emmy Angelo (12), Sadi Angelo (10)

Our boys group will be racing the morning of **Saturday 9/19**. We are still waiting to hear which race Emmy & Sadi will qualify into and if any of our boys make it into a night race!

PLANS for 9/18-9/20

While we are still working out some specific details of our trip to Woodbridge, we do know the basics. [Here](#) is our tentative itinerary based on last year's trip. We will **DEPART** from Ponderosa the morning of **Friday 9/18** (athletes will miss classes Friday), compete **Saturday 9/19**, and **RETURN Sunday 9/20**. Athletes and coaches will be staying at the same hotel as last year, the Ayres Hotel Laguna Woods: 24341 El Toro Rd, Laguna Woods CA 92637. We will book rooms for all athletes traveling with us, and create room buddies once we get closer to 9/18. If you know that your family would like to make the trip down with us and stay at the same hotel -- though not required -- we welcome you to book at the same location if there are still open rooms!

TRANSPORTATION

There are NO school vans or buses traveling with our group. Woodbridge is always a parent-volunteer trip. Parents, you are welcome to drive YOUR OWN athlete and any of your family members or supporters that would like to attend this fun event. If you are a cleared parent driver for this season (AKA you turned in the yellow transportation sheet & your insurance/drivers license to the office for processing), then you are able to drive OTHER athletes as well. Please get these turned in ASAP if you would like this option for your student-athlete, or if you are willing to drive more than just your athlete!

PLEASE reply to [this email](#) and let coaches know as soon as possible if you will be driving your athlete and/or if you are willing to drive other athletes as a cleared volunteer (let us know how many seats you comfortably have available). We will send out a transportation sheet next week with these replies so we can compile ride plans for our group. Many athletes enjoy riding together with their team mates while others might prefer to have a roomy experience on the long trek down. Talk with your athlete to find what will work best for your family. We understand that not all parents and families are able to take 3 days worth of travel, so we hope to have enough spots with other cleared drivers to make up for this!

Regardless of parent volunteer drivers, **ALL competing athletes**, must have the PINK transportation form turned in. We gave these out during the Mandatory Parent Meeting. Your student-athlete can get additional copies in P-1 or see the office.
