Hello all PHS CC Staff, Athletes, Families and Fans,

All of our Bruin athletes should be arriving to Ponderosa NO LATER than 9 am to pack, load and depart on our SCHOOL BUS! These details have been on or schedule at athletic.net under the subsection meet. I have also linked our Team Race Sheets here, that were sent home with athletes last night at the end of practice (just in case your teen did not share the information sent home). Reminder that we still are in need of sign-ups for our family meal tomorrow. Coaching staff has already signed up for many items to try and help out. Here is the link for the meal sign-up to help bring items for **our subsection meal to feed ALL Ponderosa program staff, athletes families and fans!** Any that have been to this meet in the past know that traffic with EVERY school and EVERY DIVISION in the SJS section competing at this meet finds Angels Camp in gridlock and NO POSSIBILITY of an easy stop to eat. Thus, we have an amazing team dad, Mr. Calderon, who will be leading this team meal by bringing batteries so we can plug in crock pots to keep items hot and his Blackstone to heat / cook other items as needed.

Any family members traveling to support us, be there to cheer us on, help with our family subsection meal and celebrate our STUPENDOUS SENIORS there was an update today put out by the section for parking @ the subsection meet. Please read it below:

SJS Sub-Section Cross Country logistics
To all CIF ADs and XCountry Coaches,

Bret Harte High School and our local community is excited about hosting this year's CIFSJS Subsection XCountry Meet.

Please share with your XCountry communities. Bret Harte will be charging $10 for parking at Saturday's event at the Frogtown. Cash and card will be accepted at the south entrance. You can also purchase a parking pass through GoFan.co https://gofan.co/app/school/CA22516 . The parking is like our invitational in September if you have attended and like past CIFSJS subsection meets. Please remind your community that entrance is through the south entrance off Highway 49. The north entrance is for buses only, and exit only for any other vehicle. The north entrance will be marked off with signs and student workers.

Please share with your families and XCountry Communities that all spectators will enter through the south entrance. Teams not arriving in buses will also enter through the south entrance and will be directed on where to park their vans or school vehicles.

Note: If travelling from South it will be the first entrance into Frogtown/Fairgrounds. If travelling from the north (Angels Camp) it will be the second entrance. Proceed to the south entrance past the Shell Gas Station.

Once again, please share with your families and XCountry Communities.
